

# ATRIX Backpack HEPA Vacuum/Blower

## FEATURES

- Comfortable Ergonomic Fit
- Light Weight
- 4 Stage High Efficiency Filtration
- Air Powered Turbo Floor Brush
- Telescopic Metal Wand
- Quiet
- Powerful
- 3 Quart Filter Capacity

The Atrix "BUG SUCKER" is the perfect tool for the removal of bed bugs, spiders, bees, ants and cockroaches. It also removes eggs to prevent their return.

The Atrix Backpack Vacuum comes standard with a HEPA filter. Easily converts from a powerful vacuum to a powerful blower.
