The Omega GREEN Supreme IPM vacuum is a perfect tool in the fight against bed bugs. The self contained HEPA filter and powerful motor help to safely eliminate both alive and dead pests along with their eggs. The Omega Green Supreme vacuum can be used on almost any job a Pest Professional goes on.

Filtration - A self contained **HEPA** filter cartridge reduces the risk of virus and bacteria dispersion. Most odors are contained. The cartridge filter makes filter changes easy, clean, and safe.

Powerful and Quiet - Will capture everything from cockroaches and bed bugs to even hazardous particles.

16" flexible wand is pliable and will fit into hard to reach places.

Hose plugs and filter plugs insure that nothing gets out during transport and storage.

3 year limited warranty.
